IN-PROGRESS CREATIVE WORK

- Est. 2023** **Keepsake (Writer/Director), feature film, *in development***
A family hires a cash-strapped photographer to recreate a precious memory on a picturesque hike, but their intentions become suspect in the remote wilderness.
- Est. 2022** **Rat (Writer/Director/Producer), feature film, *in post-production***
May the worst person win when a group of friends play an online game that forces them to reveal their true selves to claim a cash prize.
- Est. 2022** **Live from the Graveyard (Writer/Producer), short film, *in post-production***
When a horror-themed radio show becomes the site of a zombie outbreak, an intrepid radio DJ has a chance to put her nerd knowledge to work - if she can survive.

RECENT CREATIVE WORK

- 2021** **Nemesis Eternal (Producer), feature film, *in post-production***
An atmospheric sci-fi, collage film with a strange cast of human and non-human characters.
- 2021** **Wild Territory (Writer), feature screenplay**
An addict with no bridges left to burn drives across the US in a stolen car with a corpse as her companion, looking for redemption along the 2,500 open miles of Interstate 40.
- 2021** **Invasion (Writer), feature screenplay, *commission for Magic Dog Productions***
An insect researcher and a team of scientists studying invasive species in the Florida Everglades go from observing to being hunted by genetically engineered praying mantises - the insect world's ultimate predator - now scaled up to human size.
- 2020** **Shroud (Writer), feature screenplay**
Two grieving mothers start to unravel when one of them becomes convinced that their daughter's spirit still inhabits their new house.
- 2019** **A Great Expanse (Writer/Director/Producer), short film**
A struggling young mom plots to hustle her way out of hardship and get back at her disapproving family after she discovers she's pregnant with her third child.
