STILL PHOTOGRAPHY BIO:

David Justice is a skilled all around photographer who has a passion for shooting still photography (Jacobson Sound Blimps available if needed) for film production and promotion - including unit, episodic, and behind-the-scenes images of actors, crew and production. Experienced in capturing images in very low light, challenging light situations, and challenging work environments, capturing great images of actors that best conveys the story. Excellent set etiquette and being completely stealth and invisible while still getting the great shots.

Complete pro-digital photo and video service - shooting with pro Canon 60D cameras shooting RAW (and jpeg) format, processing on an Apple MacPro with Adobe CS5, Adobe Lightroom. Resident of central North Carolina, with easy access to the North Carolina Mountains as well as Wilmington. Will travel and work anywhere...
