Experience:

WXII 12 News:

May 2011- Present

Position: Production Assistant

Duties: Shoot news and sports footage (using Sony XD camera's), compile and assist in writing news and sports stories, edit footage by using AVID Newscutter, Produce web content and episodic promos, operate studio cameras, floor direct during live newscast, assist producer's and news directors with various production needs, repair and change studio lighting, and occasional field produce, etc. WXII is a NBC Affiliate and part of the top-50 TV market.

The Dr. Oz Show:

May 2012

Operated the Jib-Camera during one segment of the Dr. Oz Show. Our local news station taped a special segment for the Dr. Oz Show showcasing the "Transformation Nation" initiative.

The X Factor (Fox TV Series)

April 2012

Production Assistant for season 2 of the Fox Network hit show, "The X Factor". Assisted production coordinator with registering thousands of contestants, handling legal paperwork and releases, coordinate producer notes, assist with construction production offices, etc.

ESPN, CBS Sports (Freelance)

2008-Present

I currently freelance with various networks including ESPN, CBS Sports, and BET during televised basketball and football games, Including the NCAA Tournament (CBS) and other national televised events. Duties include Camera operator (handheld), Timeout coordinator, runner, Specialty stats, utility, etc.

2009 – 2011 BET/Centric Soul Train Awards show

Served as a Production assistant for the 2009, 2010, and 2011 show. I assisted the Associate Producer Stephon Crumbley along with the office of the Executive Vice President & General Manager with various task during the rehearsal and taping of the national televised show. (IMDB credit)

Eyeborgs (Movie) IMDB Credit

2009

I worked as a production assistant for the Sci-Fi movie, Eyeborgs. I worked with the production team and assisted with crafts, lighting, gathering paperwork, and assisting the directors and producers with whatever they needed.

Media Relations Assistant

2007-2010

Served as a Media Relations Assistant to the Athletic Director of Media Relations at Winston-Salem State University (NCAA Division 1). I assisted with all media duties including writing press releases, answering calls from National and local media, arranging Player/Coaches interviews, compiling game notes and stats, updating player bio's, etc.

Freelance Writer

2007-Present

I have contributed to National Media outlets including CNN.com, Black Entertainment Television (BET), and SLAM Magazine. I've interviewed Professional Athletes including LeBron James, Chris Paul, Kevin Durant, and Film Director F. Gary Gray among others. Currently a stringer for US Weekly magazine.

ACC/NCAA Student Assistant

2007-2011

Served as a Media Relations Assistant to the ACC during their post-season Basketball tournaments including the Women and Men's NCAA basketball tournament in Greensboro and Charlotte NC. Assisted the ACC staff with interviews, escorting players and coaches, Statistics, Answering phone calls, etc.

Education

Winston-Salem State University

2005-2008

Major: Mass Communications
